STATINTL

First, please note our change of address. We moved a couple of years ago and were lucky to have your letter forwarded.

We will be in touch with Mike right away and, of course, will want to do everything we can to help.

On our trip, we are not coming to [redacted] but will be in STATINTL [redacted] on 6 December at the Intercontinental Hotel, leaving on 7 December. If you are there by chance, Jeanie and I would be happy to see you.

Our very best wishes to Don. We have not seen him for a long time.

STATINTL

Sincerely,

Lawrence R. Houston
